

BOCK

TAPE PRO 630

Clean & soft removal after two days

MADE IN ITALY

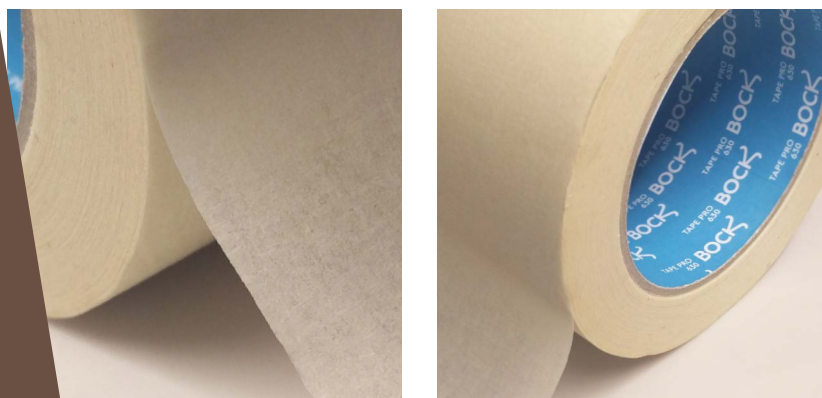

TAPE PRO 630

Clean & soft removal even after two days

BOCK Tape PRO 630 is a premium quality natural rubber masking tape for all indoor painting applications. It is suitable for solvent- and water-based paints and stands out by its reliable adhesion and clean removal after usage without damaging the already painted surface. Its latex-treated paper minimizes absorption of moisture and guarantees clean paint lines.

FEATURES & BENEFITS

- Easy tear
- Reliable adhesion
- Clean & soft removal
