

BOCK

BLOCK PRO

Premium Automotive Masking Paper

MADE IN ITALY

BLOCK PRO

Premium Automotive Kraft Masking Paper

Bock BLOCK PRO is a professional automotive masking paper. Made of thin Kraft paper, it provides excellent conformability. It's special protective coating guarantees no bleed through of water and solvent based paints and excellent resistance to water splashes while wet-sanding. BLOCK PRO offers great overspray protection and is an excellent choice for every day automotive and industrial applications.

FEATURES & BENEFITS

- Highly conformable
- No overpray
- Automotive Grade
